## How to create and record live lessons?

The screenshot shows the YU-LEARNT interface. On the left, a sidebar menu is visible with 'YULRN101' highlighted and marked with a red box and the number '1'. Below it, 'My courses' is also highlighted. The main content area shows the course title 'YU-LEARNT' and a 'Duyurular' section. A 'YU-LEARNT' button with a blue 'b' icon is highlighted with a red box and the number '2'. Below this are sections for 'FAQs' and 'YU101 - Fall 2021 - Att'. On the right, a 'Course administration' sidebar is visible with options like 'Edit settings', 'Users', 'Filters', 'Reports', 'Gradebook setup', 'Badges', 'Backup', 'Restore', 'Import', and 'Reset'.

- 1- After selecting the relevant course from the **“My Courses”** section on the left menu, click on the course name in section 1 and come to the main page of the course.
- 2- Click on the **BigBlueButton (BBB)** button to reach the live lesson.

The screenshot shows the YU-LEARNT interface at the course level. The breadcrumb trail is 'Dashboard - My courses - YULRN101 - General - YU-LEARNT'. The main content area shows the course title 'YU-LEARNT' and a 'YU-LEARNT' button. Below this, a message states: 'This conference room is ready. You can join the session now.' A blue 'Join session' button is highlighted with a red box and the number '3'. Below the message is a 'Recordings' section with the text 'There are no recording to show.' At the bottom, there is a pagination control with 'Page' and 'Go' buttons, and a 'Rows' dropdown set to '10'.

- 3- When you click on the **“Join Session”** button on the live lesson page, you will start your lesson by reaching the live lesson interface.

- 4- You can record your lesson by clicking the **“Start Recording”** button.  
(Your recording is stored on the servers and can be viewed by students later)
