

## How to merge different sections of the same course in the YULearn?

Course overview

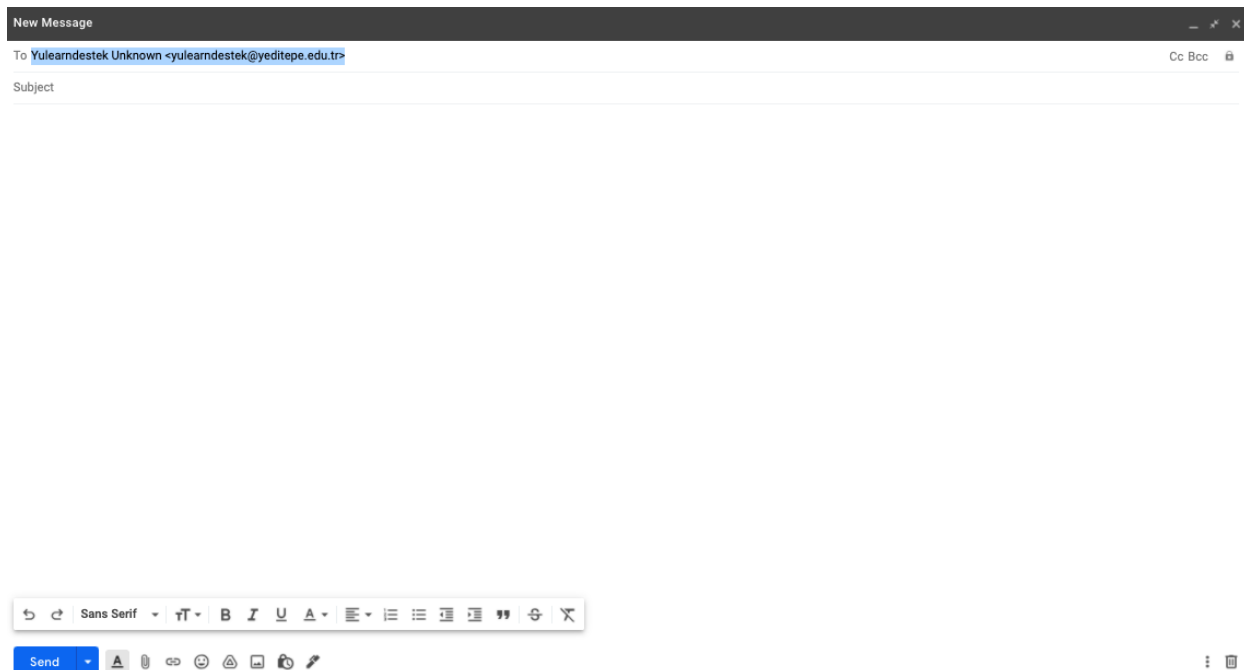

All (except removed from view) **In progress** Future Past Starred Removed from view

Course name ▾ List ▾

Educational Sociology / 1

Educational Sociology / 3

It is possible to merge the pages of different sections that are opened for the same course in YULearn. On the other hand, just YULearn system administrators can be able to do this operation.
